2 The following is a transcript of a conversation
3 between DARREN REAGAN and ALLEN MCGILL, which occurred
4 on February 22, 2005.
5 DARREN REAGAN: Hey, brother.
6 ALLEN MCGILL: Hey.
7 REAGAN: Yeah, man. So, I, like I told DON and them,
8 I said, you know, ya'll just, ya'll just hold, hold it
9 right there and just, you know, I don't expect that
10 he's gonna make any more calls to them, 'cause he see,
11 I mean, he said it the first time, but he see it
12 pretty much a reality now. The picture...
13 MCGILL: Well. Well, what, what slammed the door on
14 him was that check. That's what slammed the door on
15 him.
16 REAGAN: Hold on for a second, Al.
17 MCGILL: Um, mm.
18 REAGAN: Yeah, brother.
19 MCGILL: Yeah, that, that slammed the door on him,
20 when, when you told him, well, you make the check out
21 to BSEAT, that said, oh, oh. Oh, oh.
22 REAGAN: Oh, yeah, well, I, you know, I ain't, I
23 ain't, I ain't, ain't going, ain't nothing going to be
24 traced, traceable.
25 MCGILL: Well, he really, well, he really never

1 expected that, he thought you was gonna really give
2 him a name.

3 REAGAN: Yeah, he did, that's why he left it open, he
4 left it blank.

5 MCGILL: Um, mm. Otherwise he woulda, it would have
6 been made out when he got there. Yeah, he really
7 thought so. Well that slammed the door on that and
8 that, that sent him back to SALEEM to report, well you
9 know we got a deal with him. Because he got it
10 locked, he got it locked, we got a deal with him.

11 REAGAN: Yeah. And, and, and that's it.

12 MCGILL: Um, mm.

13 REAGAN: That's it.

14 MCGILL: Well. So, basically, he agreed to ah, the
15 two week set off. Is that where it really came down
16 to UI?

17 REAGAN: Well, he did, he didn't even have to agree to
18 it, that's, that's what it boiled down to.

19 MCGILL: Okay.

20 REAGAN: You know, I told him, I said, we gonna, we
21 gonna get all this done before, you know, I make a
22 recommendation, ah, to move on this, so, so if I get
23 in-writing contracts and, ah, you know, we, we, we, we
24 work through the language in here on the contract
25 (UI), you know, (stuttering) the contract, I said,

1 BILL down here, you know, and it's, and it's about
2 project management, I said there's protocol, you know
3 that and I know it. I don't want to have a developer
4 walking out on the property going out putting the
5 squeeze on a sub. See, that's what the project
6 manager and the prime contractor is out there for. I
7 said so, if you see, he said, so if the trees, if the
8 trees not lined up here or nothing. So, ah, ah, I
9 should, I should come, I should come and talk to you
10 all. I said, that's right. He said oh, that, that,
11 that's fine, UI, that's wasn't in there. I said,
12 well, that's (UI), this is proper protocol.
13 MCGILL: Yeah, well he ain't just now seeing that.
14 He's...
15 REAGAN: Nah, he (UI)
16 MCGILL: ...just now coming to grips with it, though.
17 (laughs)
18 REAGAN: Yeah. (UI) I said, I, I said, ahh, in our
19 development, if there were issues that came up, hell,
20 we had subs all over the damn place and we didn't know
21 who's who and who's what, and we talked to the GC out
22 there and let the GC handle it. And that's how it
23 works almost, if not all, construction sites.
24 MCGILL: Well, he knows that.
25 REAGAN: Well, sure he does...

1 MCGILL: Yeah, he knows that.

2 REAGAN: He just, he just wanted to, he just wanted
3 to, ah, be able to go and do that kind, have direct,
4 ah, contact with the subs.

5 MCGILL: Of course.

6 REAGAN: So he can squeeze them. Nah, and I'm, nah, I
7 said nah, I said, I'm not going sign onto to, ah, us
8 agreeing to be just a black face out on the project.
9 Nah. He said, no, no, no, it, it's never been
10 intended. I said well, intended
11 or not, that's not going to happen.

12 MCGILL: Well, it certainly was intended (UI). It
13 certainly was intended from that end. They were happy
14 to get away, to walk away with the, with the five
15 percent that you said that you asked for initially,
16 whatever cash up front.

17 REAGAN: Sure.

18 MCGILL: That, they were happy to get out from under,
19 and the one or two contracts we would have come in
20 there talking about, man, they, them guys would have
21 been laughing all the way to the bank.

22 REAGAN: Oh, you know it, you know it.

23 MCGILL: Hey, they, they'd say, oh man, (stuttering)
24 two dead projects, and we, we, we was able to walk
25 away.

1 REAGAN: Shit.

2 MCGILL: Man, and, but they opened this up for reopen
3 and I'm so happy for them too.

4 REAGAN: Well.

5 MCGILL: I'm so happy that they acted the asshole and
6 really opened it for...

7 REAGAN: Oh man, oh man, ah, ah, I mean, a good airing
8 is what we got, I mean, this is a good airing.

9 MCGILL: Yeah, 'cause if they had went on like
10 sensible people we'd be down the road trying to figure
11 out a new way of just going on with it, but, but they
12 opened this up where it could really be opened up.

13 REAGAN: Well, he, he...

14 MCGILL: And brother, you did an excellent job of
15 really, really just bringing in all the scaffolds and
16 proper equipment that you needed to operate.

17 REAGAN: And, I, I told BILL, I said, BILL, I'm gonna
18 say this for the last time, and I mean it. I said,
19 ah, you are not to place a single call, not one call
20 to nobody but me. You don't call D'ANGELO, you don't
21 call DON, you don't call nobody, but me. Oh, that,
22 that, that's clear. You the man, you the man, and,
23 and, and, now there, I said nobody, and I said, if you
24 do, it's over.

25 MCGILL: Yeah, 'cause you going hear about it, that's

1 what you, really the message there.

2 REAGAN: And, and, and he knew it, he said that. He
3 said because you gonna know about it. You damn right
4 I'm gonna know about it.

5 MCGILL: Yeah.

6 REAGAN: I said, and you, and, ah, there's a lot of
7 unhappy folk out here about how you tried to maneuver
8 this and maneuver it around me. I said, I'm not out
9 here, I'm not out here just, just running around, you
10 know, shit. Everybody talk to me.

11 MCGILL: Well, he's done found out, he's done found
12 out.

13 REAGAN: He done found out, sure he has. Everybody's
14 talked to me.

15 MCGILL: He's found out.

16 REAGAN: I said, if I, he said, well SUZAN, SUZAN met
17 with DON, I know you know this, I said yes, and SUZAN
18 is not to call anybody, nobody, she's not to call
19 nobody. If she wants an update on this project, she
20 need to call me. Well, you know we, we just had to do
21 something, you know, some make some stuff look, you
22 know, normal kind, I said, I don't care. Anything
23 relating to this project, you gonna have to talk to
24 me. I said...

25 MCGILL: Well, what, what, what he, what he really has

1 sent him into shock is he wasn't able to get money to
2 split up the group.

3 REAGAN: That's what it was. He was trying to get
4 money...

5 MCGILL: Now, that white, and, and particularly that
6 Palestinian or whatever he is.

7 REAGAN: Oh yeah, oh yeah.

8 MCGILL: They, they, they, they done, hey, man, I'm
9 telling you, and I'm not talking about no heap of
10 money, I'm talking about a little bit of money.

11 REAGAN: Well, that, that's how they've been operating
12 brother. They been getting niggers that really go for
13 the little bitty chump change.

14 MCGILL: And cut each other to ribbons.

15 REAGAN: Cut everybody up. And I, you know, I ain't,
16 I ain't even interested in none of that, I got my eyes
17 on the prize.

18 MCGILL: Well.

19 REAGAN: And I know where the prize is.

20 MCGILL: That's where I (UI) brother.

21 REAGAN: Yeah, I said well (UI) we need to relook,
22 and, if there's a way to relook at it, it need to be
23 re-looked at (UI). I'm gonna tell, I'm gonna tell you
24 this much, I'll, I'll tell you this much, before this
25 deal, ah, get approved, you gonna have some cash in

1 your hand and I'm gonna have some cash in mine.

2 MCGILL: Well, I know that, I know that's where you
3 going. I know that's where you going now.

4 REAGAN: Well, you just, you just (repeating), you
5 just know that, brother.

6 MCGILL: Yeah (laughs), got to get all these
7 preliminaries out the way first here, but, ah, this
8 boy, now I ain't never gonna buy that they didn't walk
9 away with some money at closing. I ain't gonna never
10 buy that.

11 REAGAN: And I told him, I said, BILL, ah, I've been
12 around the game long enough to understand how it's
13 played. I said, and I may not necessarily know the
14 particulars about tax credit, I said, but I know
15 enough about it, to know that you guys ain't in it for
16 charity and you not in it because you ain't making no
17 money and ain't got your hands on some money.

18 MCGILL: Yeah. And they ain't in it for some money 10
19 years down the road.

20 REAGAN: They gonna, they gonna get, they ain't even
21 got to worry about 10 years down the road, they gonna
22 get, they seeing it right now.

23 MCGILL: Yeah, yeah.

24 REAGAN: And he, you know, he went to telling me,
25 well, you know it's just so many, so much money that

1 come out of the project, that come to the project, ah,
2 you know, every month and I don't, I said listen, I
3 don't care where you have to go, or where you send
4 this, or where you send this invoice, you can send
5 this invoice down to Houston project, you can send it
6 down to Austin, your Senator, I don't care, you just
7 run it wherever you need to run it.

8 MCGILL: Well.

9 REAGAN: And, and, but I, you know, uh, we gonna have
10 to get these bills paid. (laughs)

11 MCGILL: (laughs)

12 REAGAN: We gotta get these bills paid.

13 MCGILL: Yeah, well, he, he really has stuck his foot
14 over in this one here, and it got a good hold down
15 there, got a good bear trap on him down there. Yeah,
16 he gonna have to chew his leg off to get out of this
17 one.

18 REAGAN: I don't care either, he better get to
19 chewing.

20 MCGILL: Yeah, because this one here, man, this was
21 sprang as, as brilliantly as I've seen white folks
22 trapped here, man. This, this has really, really
23 opened up and gobbled him up.

24 REAGAN: Well, the key was really getting D'ANGELO in
25 check.

1 MCGILL: Um, mm.

2 REAGAN: Now, D'ANGELO gonna have to come back me now
3 a different way with this how we gonna get paid thing,
4 and I'm gonna tell him that, hey, D'ANGELO, what, ah,
5 ah, what I'm gonna do is I'm, you and DON is in this,
6 ah, together, I'm gonna make sure just like I done
7 with ya'll from the beginning, ya'll know.

8 MCGILL: Both know.

9 REAGAN: Ya'll both know. And then, then ya'll can
10 work through that.

11 MCGILL: Um, mm.

12 REAGAN: But, but, ah, you know, I'm not gonna, I'm
13 not gonna, I'm not gonna do something without, without
14 both ya'll knowing.

15 MCGILL: Well, and that, and that really, that really
16 puts him in check.

17 REAGAN: Keeps him in check.

18 MCGILL: It really puts him in check. Let him argue
19 with DON about who is worth the most.

20 REAGAN: Yeah.

21 MCGILL: 'Cause that's really what it comes down to,
22 you know.

23 REAGAN: You know, and I, I, I know D'ANGELO, he, he
24 cut them brothers out, looking for the big pay day
25 himself.

1 MCGILL: Sure enough, he sure enough will.

2 REAGAN: And he, and, Well he did, that RA- MILL

3 GROUP, see.

4 MCGILL: Um, mm

5 REAGAN: Because he was using them as leverage to get

6 in there, to get to the money, from day one. And so,

7 he stirred up enough controversy and confusion about

8 this, ah, enough to get BILL and SALEEM all worked up

9 about paying these guys. So now that I've got BILL

10 and SALEEM, ah, ah, resolved...

11 MCGILL: Talking, yeah, talking direct.

12 REAGAN: Yeah, to, to, to, to pay, that there's gonna

13 have to be some compensation, well, what D'ANGELO

14 doing, he goes out here, man, and he kicked them guys

15 to the curb, so he want the money.

16 MCGILL: Have mercy.

17 REAGAN: And so, if he want it, he can get it from

18 DON.

19 MCGILL: Um, mm.

20 REAGAN: And so, you know, I, I'm not gonna, I'm not

21 issuing out no money, without the two of them being

22 there together.

23 MCGILL: Well, and you really don't care whether

24 D'ANGELO there or not, it just go to DON and let DON

25 handle that, cause you can just say that DON, say Don,

1 say to D'ANGELO, that DON has it. But if you got them
2 both there together, but, but you don't ever want to
3 give it to D'ANGELO alone.

4 REAGAN: I'll never do that, I'll never.

5 MCGILL: Cause he's, he's a shaky negro.

6 REAGAN: Well, and (stuttering) DON, DON holds the
7 strings on D'ANGELO.

8 MCGILL: Um, mm.

9 REAGAN: (UI) And see, D'ANGELO was damn near scared,
10 he was scared to, damn near, to walk over there and
11 ask DON for some (UI), man.

12 MCGILL: Well, that's, that's the deal you see.
13 Cause, cause he ain't, he wasn't gonna, I'm, I'm
14 assured that he wasn't gonna walk to DON, and give DON
15 no piece of it.

16 REAGAN: And I told DON, I said, I said, hey, DON, ah,
17 break him off a little bit, buddy, and that's it.

18 MCGILL: Um, mm

19 REAGAN: You know, D'ANGELO walked over there with his
20 tail between his legs.

21 MCGILL: Well.

22 REAGAN: You know.

23 MCGILL: Well, that's, that's it. He was trying to
24 cut this deal around DON, as much as he could, and he
25 was never gonna come clean with DON about what the

1 numbers were.

2 REAGAN: Nah, he would have, he would have lied on me.

3 MCGILL: Well you damn right, you damn right. And he

4 would have cut it at least in half, he would have cut

5 it at least in half. He simply wouldn't have told the

6 truth.

7 REAGAN: He would have told DON all that nigger gave

8 me five grand, man.

9 MCGILL: That's all he gave me, man, I'm gonna give

10 you three of that.

11 REAGAN: Well then I'm gonna, (stuttering) but, but 1,

12 you know, I'm ahead of little brother.

13 MCGILL: Well.

14 REAGAN: He can't come back and say, hey, man, we

15 didn't get paid, you know, I put the money in the

16 Councilman's hands, ya'll sort it out.

17 MCGILL: Well, that's, that's really where you, and

18 then that was really, really, really smooth, because

19 that's DON, DON will put a check on that negro. And

20 he ain't gonna get no, because the bottom line is Don

21 will get him off that thing.

22 REAGAN: That's what I'm talking about.

23 MCGILL: And that's the threat.

24 REAGAN: That's the, that's what I'm talking about.

25 MCGILL: You, ah, you'll be gone tomorrow, no

1 questions asked, no nothing, just good-bye.

2 REAGAN: He don't want that.

3 MCGILL: Oh no, oh no.

4 REAGAN: Well, you know, but I'm, that's, that's how

5 I'm gonna do that, and I told DON, I said, now on that

6 developer fee, ah, the, the, the developer fee, we

7 cutting a deal with them on the developer fee, but

8 that's money that we gonna use to take care of some

9 things (laughs) and people. No so, that why it's

10 important that we get, he said, oh yeah, oh yeah, see

11 once you know what that number is then you know how

12 that, how that need to be broke out. I said, oh yeah,

13 I said oh yeah, that, that's, that's where we getting

14 it. That's where we move (UI). We got to get it, we

15 got to get it on even board.

16 MCGILL: Yeah man, because hey, it, it ain't on no, I

17 mean, you know, we were below water man, we were below

18 the water line.

19 REAGAN: Shit, man, they (UI)...

20 MCGILL: Breathing through a damn straw (laughs)

21 REAGAN: They had us in the poor house, brother.

22 MCGILL: Hey man, breathing through a straw, so, nah,

23 nah, we just need, that, that developer's fee is where

24 you kind of rise above the tide and ride with the

25 wave, and actually (laughs), you know.

1 REAGAN: I want to get out, I want to get out there in
2 the deep.
3 MCGILL: Well, I just want to ride with the wave.
4 (laughs)
5 REAGAN: I want to get out there in the deep with
6 smooth sailing (laughs). (UI) get me away from these,
7 get me away from these mundane shores (laughs). I
8 don't want to get too far from the peaceful shore.
9 (laugh)
10 MCGILL: (laughs) Ride with the wave, I just want to
11 be able to ride with the wave.
12 REAGAN: Well that's, and, you know, and, and see
13 that, that right there, once, once niggers see that
14 you, that you dealing on the up with the money,
15 then...
16 MCGILL: All the rest of it go away.
17 REAGAN: ... gonna line up.
18 MCGILL: Yeah, all the rest of it go away.
19 REAGAN: I ain't gotta say, I ain't gotta say nothing,
20 but look DON, it's ready to go.
21 MCGILL: Um, mm, well.
22 REAGAN: When it's ready to go, when it's ready to go,
23 everybody, everybody have a check, will have cash in
24 hand.
25 MCGILL: Well, that, that's all, that's all that

1 really need to happen there. That's all really.

2 REAGAN: That's all, just, you know, let them get all,
3 get, get cash in hand.

4 MCGILL: Well...

5 REAGAN: We gonna, we gonna work through a little
6 contract fee and we gonna get all, get cash all in
7 hand.

8 MCGILL: Well, that, that's the way to really, and,
9 and that BSEAT piece, now I know that really, really
10 sent him back to SALEEM.

11 REAGAN: Oh boy, oh.

12 MCGILL: Now I'm telling you, it sent him, it sent
13 him, he couldn't wait to get out of sight to call
14 SALEEM, and tell him that one didn't work.

15 REAGAN: Well, well, you know, they, they learning the
16 hard way, brother, that's all I know.

17 MCGILL: Well, they learning the best the way for
18 black folk, 'cause they having to pay.

19 REAGAN: Yeah, yeah, and they, and they, and they, and
20 they owe, they owe, they owe, they owe for misdeeds in
21 the past.

22 MCGILL: (laughs) Misdemeanors and misdeeds.

23 REAGAN: Yeah, you understand, so they, you know,
24 they, they, they are, there are some things that they
25 got to clear up in the past.

1 MCGILL: And well, you better believe it, yeah. Lord
2 have mercy. The boy came here saying (UI)...
3 REAGAN: Well, you know, hey, man, don't, don't,
4 don't, don't, don't play me, don't come here and
5 trying to (UI). And, and, brother, look here, ah,
6 when he got on the, when, when he was on the phone, I
7 said, this is what we come here to take, ah, you
8 coming to take care of business this morning. We not,
9 we not gonna, I'm, we not gonna fool around and all of
10 that, but he, he got down on his knees brother
11 practically.
12 MCGILL: Lord.
13 REAGAN: He had, he had tears in his eyes, and he
14 said, well, ah, they laying on a, you know I don't,
15 you know I don't know, I said well, BILL, I'm sure
16 ya'll, you guys, ah, ya'll been engaged this long, a
17 couple more weeks ain't gonna kill it. But it's
18 certainly ought to incentive you guys, ah, to get out
19 here and let's go to work. Let's go to work.
20 MCGILL: Since you ain't, you ain't been there yet.
21 (laughs)
22 REAGAN: Ya'll stop fooling around out here and just
23 go to work.
24 MCGILL: (laughs) Boy, I love it.
25 REAGAN: (laughs)

1 MCGILL: Let's get to work.

2 REAGAN: Stop fooling around out here, and let's go to
3 work.

4 MCGILL: I love that. (laughs) Sound like my aunt and
5 uncle when I used to go out to the farm. Boy, let's
6 get to work. (laughs)

7 REAGAN: That's what they used to tell you, huh?

8 MCGILL: Time to get to work.

9 REAGAN: Stop fooling around here, and let's go to
10 work out here.

11 MCGILL: Yeah boy, they were famous for telling
12 niggers that. It's, it's time to go to work now.

13 REAGAN: Let's go to work.

14 MCGILL: Yeah, buddy.

15 REAGAN: Um, mm. So that's what I told him brother, I
16 said let's, you know, you got two weeks, not before
17 you start, 'cause you need to be, you need to be, I
18 mean, galloping full speed ahead.

19 MCGILL: Oh buddy.

20 REAGAN: Hey, man, look here, 'cause when those
21 contracts are done, every one of those negros already
22 know that they have to come back to us.

23 MCGILL: Well, hey, I would certainly hope so, I would
24 certainly hope so, and they simply just make the
25 numbers work, and we don't want no bullshit, we want

1 first class work, timely, on time, and then everybody
2 just get paid. Because this was one that they too
3 were out of, so you know.

4 REAGAN: (UI) and BILL said, I, I told them that, and
5 I wrote them and let them know that I'm available to
6 come out and, ah, work with them on the numbers, you
7 know, do, help them get the paperwork filled out, and
8 I said, well, that's what I want.

9 MCGILL: Yeah, well. Putting that condition on him of
10 getting them contract signed, not, not offered the way
11 these here boys do with that good faith stuff, you
12 know, but fine, that really, really, well this whole
13 thing has just been a terrible, terrible experience
14 for BILL and SALEEM. SALEEM is so mad, he, he may fly
15 back to Palestine really.

16 REAGAN: Well, but they got, man they getting money
17 hand over fist.

18 MCGILL: Man, hey, and, and these guys have done wrote
19 that off, they done, whoever, whoever is supplying the
20 money, they had done already told them, that, that,
21 that, well, this here one is dead, these are dead.

22 REAGAN: Yeah.

23 MCGILL: So, I don't, I, I don't, I don't, do not, not
24 believe that they ain't been beating their chest
25 personally on whoever they explain to, that they

1 resurrected this.

2 REAGAN: Yeah, and so, you know, I told BILL this, I
3 said, BILL, ah, what ya'll, what, you know, I'm, I'm
4 not, I'm not sweating this deal because whatever money
5 ya'll, whatever money you guys have to pay up on the
6 front end of this, you just gonna wrap it up in the
7 price of the cost of the land.

8 MCGILL: There you go.

9 REAGAN: So, you just, you just add this little bit to
10 the cost of the land. And then in it, with everything
11 else that you put in there. So, you know, I'm not
12 really interested in no "poor-mouthing", I'm really
13 not. (laughs)

14 MCGILL: (laughs) Oh buddy, buddy, buddy, buddy.

15 REAGAN: I said, I'm really not interested in no "poor
16 mouthing", 'cause I know how. I said, that land ya'll
17 got out there in, ah, in, ah, (UI), ya'll paid too
18 much for it, according to what was published, you paid
19 more than the market value of it, for it. And then,
20 ya'll bought it from somebody who's associated with
21 you.

22 MCGILL: Man.

23 REAGAN: Based on what was in the public record.

24 MCGILL: Now, now he must have really choked down hard
25 on that one.

1 REAGAN: I said, it has it right in there.

2 MCGILL: Yeah.

3 REAGAN: Ya'll know each other.

4 MCGILL: It ain't, wasn't no hands, it wasn't no arms
5 length deal, so they, they, what the analyst is saying
6 that just money that got passed from one pocket to
7 another pocket. They jacked up the price for us,
8 because we paying for it, we meaning the government,
9 and it just went in one pocket and came, went into
10 another pocket. And that's what them guys is really
11 saying, and, and yet they approved it. (UJ) where
12 they at, they still approved it.

13 REAGAN: Well, because it wasn't no money, really
14 wasn't no, no big deal for them.

15 MCGILL: Nope, it ain't cost the state nothing.

16 REAGAN: Uhm, cause that money's the Federal
17 Government give.

18 MCGILL: There you go. There you go. They are the
19 ones guarantee everything. So, it ain't cost the
20 state nothing, it ain't cost none of the, the, the
21 cities in Texas nothing, so, hey, it was an easy
22 decision for them. The Feds ain't gonna never find
23 it, they ain't gonna never question nothing, you know.

24 We got a Republican Governor, ain't nobody, ain't
25 nobody gonna, gonna lose they job over no, no, no

1 killing no deal like this, that might 'cause them some
2 political problems. Nah, not here in Texas. That's
3 the one good thing about being here for these kind of
4 deals, once you get it up, up in the pipeline, ain't
5 nobody gonna kill it.

6 REAGAN: BILL was, well, can we get it passed and, ah,
7 you know, if we could spend an hour and a half of
8 quality. I said well, BILL, now, we not going to pass
9 it and then work out the contract (laughs). And I
10 said, that don't, I said that don't make no sense,
11 that doesn't, that don't make no sense. What kind of
12 sense does that make?

13 MCGILL: Oh, boy, you gotta give him A for trying
14 though, you know, hey.

15 REAGAN: I said...What kind of sense does that make?

16 MCGILL: (laughs) Gotta give him A for trying.

17 REAGAN: (UI).

18 MCGILL: Well, you know, well, two weeks is a good
19 time though, I mean, that give him plenty of time to
20 get everything straight. Plenty of time to negotiate
21 this few extra days he need in March with the land
22 holder, and all that. Land owner ain't gonna walk
23 away from this. Got too much money...

24 REAGAN: (UI) I said you just need to get out here and
25 go to work. (laughs)

1 MCGILL: (laughs)

2 REAGAN: That's all I know to tell you, cause sitting
3 around here trying to figure out how you can get
4 around me, you just wasting a lot of time, a lot of
5 valuable time. Because they just gonna flush you
6 back, flush you right back to me. Oh, I already know,
7 it's, it's, it's, it's perfectly clear, and I won't be
8 doing, I won't. I said, well, you, it, it done took
9 you, you wasted two weeks, wasted two weeks.

10 MCGILL: Well, he got them tossed on at the end.

11 REAGAN: I'm gonna send him a little note today, when
12 I get back, back by the office and tell him, ah, don't
13 waste anymore time, don't waste it. You've blown two
14 weeks, and we don't have that kind of time to blow.
15 Matter of fact, we run out of time.

16 MCGILL: Well. He, he, he got the two weeks back.
17 You gave it back to him. Yeah, he got it back.

18 REAGAN: Brother, it's killing him that they got to
19 contract with these guys, in the, in the, in the, on,
20 on the money end of it.

21 MCGILL: Hey, man.

22 REAGAN: He said, well see, we don't even need to, we
23 don't even need the carpet guy right now, I said, nah,
24 you don't but that don't preclude you from not signing
25 the contract, you gonna need it eventually. (laughs)

1 MCGILL: (laughs) Well now. Well now, eventually.
2 REAGAN: I mean, I don't, that don't make no sense.
3 (laughs) I kept giving it him (UI), that don't make no
4 sense.
5 MCGILL: (laughs)
6 REAGAN: What kind of sense does that make? (UI).
7 MCGILL: (UI).
8 REAGAN: Well, man, when I look at that, that cracker
9 (UI), I look at, ah, a, a dumb white boy.
10 MCGILL: Well, hey.
11 REAGAN: Well, I mean, he's just, he's just a front
12 run, I mean, he's just a gopher, guy. He's just the
13 water tote, the, the, he totes the bucket of water.
14 MCGILL: So it's SALEEM, and whoever is behind SALEEM.
15 REAGAN: Um, um. Man, I'm gonna call you right back.
16 MCGILL: Okay. Bye, bye.
17 REAGAN: Bye.
